PDG Español & PDG Brasil

We publish world-leading coffee content in coffee content in three languages: English, Spanish, and Portuguese.

We are the world's first and only trilingual coffee publication.

Relevance: Both PDG Español and PDG Brasil employ full-time editors and writers, ensuring that they produce locally-relevant editorial content.

Awareness: These publications support professionals in coffee producing countries by providing them with free educational content and industry news.

Empowerment: This information equips coffee producers to understand more about the global industry they operate in.

Expansion: Following the success of PDG Español, we launched PDG Brasil in early 2020 to address the needs of the Brazilian coffee sector.

Growth: In 2020, PDG Español welcomed more than 1,3 million unique visitors, while PDG Brasil grew its monthly pageviews by more than 200%.
